1 · ORDER & TERM

This PO is a **binding 12-month standing order** for the quantities above, subject only to the Buyback (section 3). BSG ships each month on or about the [__] day. After Month 4, the Buyer may change the monthly quantity on 30 days' email notice, with a minimum of 5 bottles per month. The order renews for another 12 months unless either party gives 30 days' notice before it ends.

2 · PAYMENT

Month 1 (opening order): 100% due 56 days (8 weeks) after delivery; 2% off if paid within 14 days of delivery. **Months 2–12:** each month is **prepaid**, charged 5 business days before its ship date by pre-authorized debit, card on file or EFT; BSG ships only after payment clears. Pay only to the account named by BSG, or by cheque to "Bioclean Innovations Inc." If the Month 1 payment is late, after a reminder and a 10-day grace period, interest of 1.5% per month applies and BSG may hold deliveries. No set-off, except credits under sections 3 and 6. GST/PST is added where applicable.

3 · BUYBACK GUARANTEE

The Buyer may use the buyback once, by email notice **within 120 days of the Month 1 delivery**. It covers unopened, saleable units stored as labelled, with at least 6 months to expiry. Value is 100% of the invoiced price. BSG issues a credit for unpaid units, or refunds paid units within 30 days of collecting the stock. BSG collects the stock within 10 business days, and both parties sign a count sheet. A buyback ends the remaining order. It is the Buyer's only remedy for unsold stock.

4 · FINANCING & VERIFICATION

BSG may share this PO and the Buyer's order and payment history with its lender (Community Savings Credit Union, or another Canadian financial institution). BSG may also assign the PO and its future payments to that lender, or give it security over them. On written notice, the Buyer pays to the account named in the notice, and its rights are unchanged. On request, no more than quarterly, the Buyer confirms its balance and any disputes by email within 10 business days. Shortages or damage must be reported within 10 days of delivery.

5 · TITLE & RISK

Risk passes on delivery. Title to the opening order passes when it is paid in full; until then, BSG holds a purchase-money security interest under the BC *Personal Property Security Act*. Prepaid monthly orders pass title on delivery. The Buyer may sell to consumers in the ordinary course. If the pharmacy is sold or closed, the Buyer gives 15 days' notice, unpaid amounts are due on closing, and prepaid but unshipped months are refunded.

6 · PRODUCT & COMPLIANCE

All products are Health Canada-licensed NHPs (NPNs above), labelled to the NHP Regulations, with a lot number and at least 12 months to expiry on delivery. BSG replaces or credits defective or recalled product at any time. The Buyer uses only BSG-approved materials and makes no claims beyond the licensed claims. The products contain egg.

7 · FOUNDING PHARMACY SUPPORT

At no charge, BSG provides:

- countertop display and leaflets
- staff training by Nadeem Zia, RPh
- a listing on the Ferravitin™ pharmacy locator
- a QR code that credits local referrals to the Buyer
- referral of KNOW YOUR IRON community-session attendees

8 · GENERAL

This PO and BSG's invoices are the entire agreement. Changes must be in writing. Either party may end the order on 30 days' notice if a breach is not cured within 15 days. Neither party is liable for indirect loss, and liability is capped at the annual order value (this cap does not apply to section 6). Pricing is confidential, except as allowed by section 4. Electronic signatures are valid. British Columbia law applies.
